Name : Chan Yuet Hei, Mimi

Topic :

Dear Leo,

How are you? Let me tell you about my favourite food. I like eating watermelon.

Watermelons are red, green and black. They are very big. I eat them every day. I buy watermelons at the market. I eat them with my mum, dad and my sister at home. I like to eat them because they are sweet. I am happy.

Please write back to tell me about your favourite food.

With love,

Mimi Chan
