Topic : My Favourite Sports

My name is Elsa. I am eight years old. I want to talk about my favourite sports.

I like fancy rope skipping very much. My friend Nana and I go to the park to have fancy rope skipping every Saturday. Whenever the weather is sunny, I like it because I can lose weight and I can be healthy.

I also like playing basketball because I can grow taller. My friend May and I go to sports centre to play basketball every Friday after school when the weather is fine and we feel comfortable. We love it.

I really love doing sports because I can relax.

Also, it is interesting so I enjoy doing exercise. I am glad.
