Hi! My name is Hailey. I am eight years old and I love sports.

On Thursdays, I go to the rink with my grandma to go ice-skating. When I am ice-skating, I feel relaxed because it is fun. I also love playing on the ice. It's also not hard.

I like running too! On Sundays, I go to the country park with my parents to go running. I always feel happy when I am running. It is fun and I love it. I enjoy going to the country park.

I am very very happy because doing sports make me fit and healthy. It also makes me feel less bored.
