Topic: An Accident at Lunch

Last Monday, I had lunch in the classroom with my classmate, Eric. I had some sushi for lunch and Eric had some vegetables and rice for lunch. I thought they were yummy.

When I was ready to eat the sushi, Eric asked me suddenly, 'Can I eat a piece of sushi?' 'OK!' I answered. When I gave him the sushi, I couldn't believe I dropped his milk! We were very scared.

The milk spilled all over his uniform! Eric said, 'Oh no! My uniform!' 'Oh! So sorry! I didn't mean to mess up your uniform! I'll give you a paper towel now!' I said. 'It doesn't matter. Thank you!' He said to me as he dried his clothes.

Finally, Eric forgave me! I was happy.
