Topic : The Great Dessert Competition

Last week, when I was reading newspaper at home, I saw an advertisement of cooking competition. It is the Great Dessert Competition.

I wanted to join the Great Dessert Competition because I thought it would be fun. So I thought about what dessert I could make. First, I had to buy some ingredients so I went to the supermarket to get the items I wanted. I wanted to make fudge ice-cream, macaron, matcha ice-cream and chocolate donuts. And I went to Linda's home and told her my plans. However, she had the same ideas as me so I had to think of other ideas. I was out of ideas. So I asked for my parents' opinions. They suggested me to make a cheese pie. Then, I made a cheese pie. I tasted it and found it very yummy.

I was the winner so I felt happy and everyone tasted my cheese pie. They said 'It is yummy!' Suddenly, the principal came and tasted my cheese pie. He said 'It is the most delicious dessert in this competition. You are the winner!' I was very surprised.

After the competition, I shared my cheese pie with my family.
