Yesterday, Sam went to King's restaurant to celebrate his birthday.

When Sam entered the restaurant, the waitress said, 'Order the food quickly!' Sam said 'I would like some chicken curry.' The waitress said 'Sorry! You can't order chicken curry. We don't have it.' Sam said 'I'd like to have spaghetti with mushrooms and sausages.' The waitress said 'Ok!'

Twenty minutes later..... 'This is your spaghetti with mushrooms and sausages.' The waitress said. Sam said 'The spaghetti is too salty! Why is there one sausage only?'

In the end, Sam was angry, so Sam complained about King's restaurant and left angrily!
