Topic : About me

My name is Angela. I live in Hong Kong with my family. I study in Sha Tin Wai Dr. Catherine F. Woo Memorial School.

I like drawing in my free time. I started drawing when I was in Primary 1. I want to be a fashion designer when I grow up. I need to be a fashion designer so that I can create more fashionable clothes. I want to be a fashion designer because I like drawing and I hope people can wear the clothes I design.
