Topic : About me

My name is Wiki Wong. I'm 11 years old. I live in Shatin with my parents and two sisters. I study in Sha Tin Wai Dr. Catherine F. Woo Memorial School. I have been learning English since I was three years old. I think English is one of the most important languages in the world, so I work hard to learn it.

In the future, I want to be a teacher when I grow up. If I become a teacher, I will be nice and patient with my students. I want to be a teacher because I like teaching others and I want to share my experiences with my students.
