

## Be Good to Our Friends

Last Friday, while Tina and Jenny were attending an art class with their classmates, their teacher asked them to draw their own pictures quietly. In the middle of the lesson, Tina took a peek at Jenny's picture.

Suddenly, Tina laughed at Jenny's picture and said, 'Your picture is ugly!' Then, other classmates also went to Jenny's seat and laughed at her. Jenny felt so angry and upset.

Jenny shouted at Tina, 'I hate you!' Then, she swept Tina's drawing and crayons off her desk.

Tina felt so sorry for Jenny and she quickly apologized to Jenny. Finally, Jenny calmed down and said to Tina, 'Don't do it again to me next time!' Other classmates also felt guilty and they went to Jenny and said sorry to her.
