

My Adventure

Derek and his brother, David, wanted to look for treasure on an island. They bought a small boat and a map to help them set off to the island. At first, they thought everything would be fine but they found that they were wrong. Suddenly, the weather turned stormy. The wave was too strong broke their ship. It was sinking and everything they brought was falling into the sea. They were very disappointed and upset.

Luckily, they knew how to swim. When they were swimming to the shore, David asked, 'How will we get back home? I am scared.' Derek replied, 'We will be ok. Don't scare yourself.' Derek was actually afraid too but he didn't want David to worry so he didn't tell him.

When they arrived at the shore, they saw two natives waving their hands at them. They were surprised and asked, 'Can you understand what I am saying?' Derek and David said at the same time. One of them answered, 'Of course we can.' He kept saying, 'Do you think we are native people? We are not! We are having a cosplay party! Follow us.' On the island, there were a lot of people wearing strange clothes. Derek and David knew what had happened to them. They had an exciting night and returned home safely.
