

A Silly Fight

Mr and Mrs Chan went hiking last Sunday. It was a sunny morning. They wanted to take pictures with the Big Buddha.

After an hour, they started to feel confused. 'Why aren't we there yet?' Mrs Chan said. They then realised that they were lost. They felt so scared.

Luckily, a man came up to them. They told the man that they were lost and he showed them a map to the nearest bus station. They thanked him and left.

When they arrived, the bus was already leaving the bus station. They felt devastated. Then they fought and argued with one another. 'We wouldn't have missed the bus if you didn't stop to drink water!' Mrs Chan said. 'But you told us to stop for a drink!' Mr Chan said. 'When did I even say that!' Mrs Chan shouted angrily. But then, something in Mrs Chan's handbag started to make noises 'Beep! Beep!' Mrs Chan checked the handbag and found her phone. 'I can use google maps!' she thought. Mrs Chan used her phone to find the way. They finally managed to take some pictures with the Big Buddha from afar. They apologized to each other and agreed to never to make the same mistakes again.
