Dear Grandma,

Today is my birthday. I don't have to go to school today. We are having a birthday party at the house! We can invite many friends to our house.

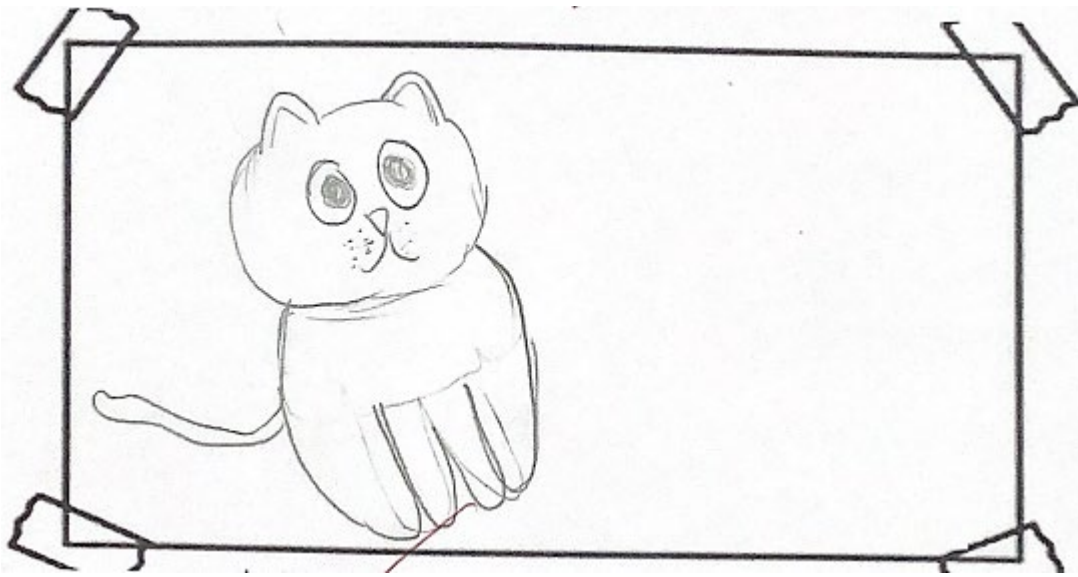

I take some photos of what they are doing. Ryan is singing in the living room. We are eating in the dining room. Lily is cooking in the kitchen. Mary is dancing in the garden. Kelly and Ann are drawing in the bedroom.

We are all having fun together. What a joyful day!

Love,

Tina

A letter

Dear Tim,

On Tuesday, we have fun at the farm.

First, I can see two cows. They are brown. They are on the grass. They are cute. Next, I can see seven hens. They are orange. They are in the cage. They are big. I enjoy visiting the farm. I feel happy.

Love,

Kassie
