

Four Seasons

Hong Kong has four seasons. They are spring, summer, autumn and winter.

In spring, the weather is warm, foggy and wet. We wear T-shirts and sweaters. We usually go to the park and look at the flowers.

In summer, the weather is sunny and hot. We wear shorts and caps. We usually go to the beach and swim in the sea.

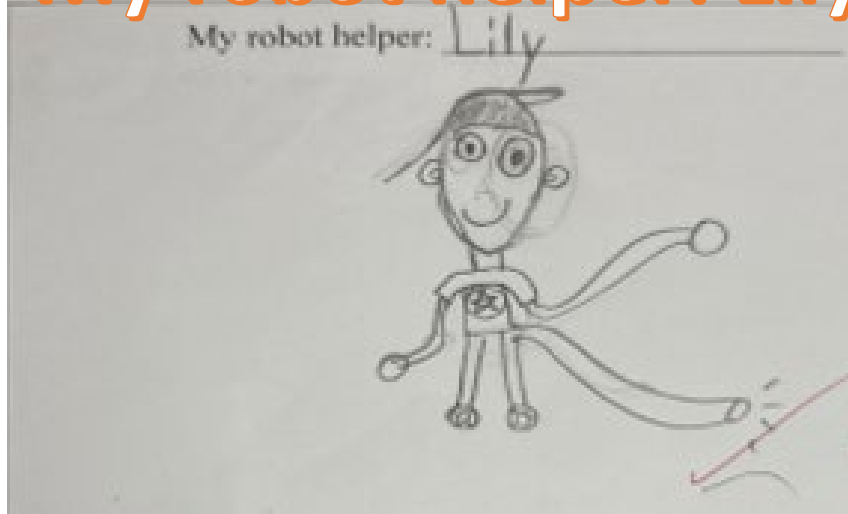

In autumn, the weather is cool and dry. We wear jeans and T-shirts. We usually go hiking in the country parks.

In winter, the weather is cold and windy. We wear coats and scarves. We usually eat hotpot with our family.

I feel pleased because the weather in Hong Kong is good.

My robot helper: Lily

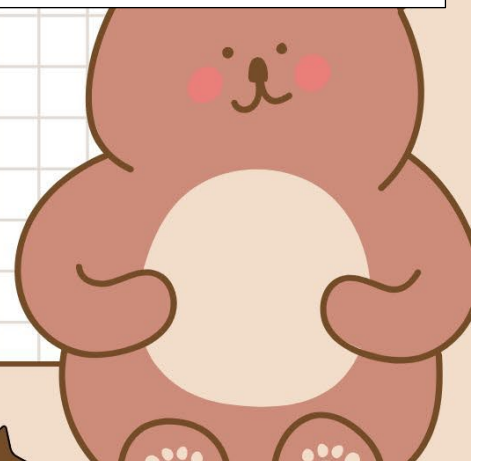

I have a robot helper at home. Its name is Lily.

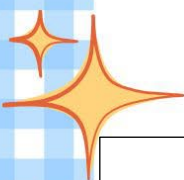

Lily has two big ears. It can hear my instructions clearly. It has two long arms. It can take out the garbage while cleaning up the toys. It has wheels on its long legs. It can move swiftly. It has a tail. It vacuums the floor as it walks around the house.

Lily doesn't wash the dog or do the washing. It is afraid of water!

I like Lily. It helps me a lot at home.

A Good Boy

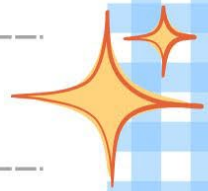

Jack is a good boy. He does his homework and does revision every day. He is hard-working.

On Sundays, he goes to church and visits his grandma. He sweeps the floor, washes the dishes and walks the dog.

One day, Jack breaks a bowl by accident. He shouts, 'Oh no!' He feels scared.

He tells his mum, 'Sorry about the bowl Mum.' He feels worried. His mum says, 'It is okay. Please be careful next time.'

My Dream School

This is my dream school. There are many rooms in my dream school. There are five floors in total. It is big.

There is a garden and a playground on the ground floor. We can look at the flowers and play with our classmates there. We mustn't pick the flowers. We must play together. There is a school hall on the first floor. We can join school events there. There is a library on the second floor. We can read books there. We must keep quiet in the library.

There are many classrooms on the third floor. We have lessons in the classrooms. We mustn't run there. There is a video game room on the fourth floor. We can see a big TV there. We can play a lot of games there but we mustn't eat or drink there.

I love my dream school very much.
