

My New Sa Woo School

The name of my school is Sa Woo Rainbow School.

There are many rooms in my school. It is big and pretty.

There is a covered playground on the ground floor. We can do exercise there. We mustn't spit there. There is a hall and some classrooms on the first floor. We can learn there.

We must listen to the teachers. There is an art room and a library on the second floor. We can draw and read there. We mustn't run there. There is a computer room on the third floor. We can play computer games there. There is a stage on the ground floor. We can read there. We mustn't jump there.

I love my dream school very much because the rooms are big and pretty.
