

My Trip to Beijing at Chinese New Year

I go to Beijing with my family at Chinese New Year. It is because we want to visit my grandparents.

It is winter in Beijing. The weather is very cold with snow everywhere. We need to wear thick coats, gloves and scarfs. It is snowy so I build snowmen with my family.

At Chinese New Year, we eat hotpot together. I wear beautiful traditional Chinese clothing. At night, we watch colourful fireworks. My grandparents give me red packets. I am very happy.

On the last day, we take many family photos before leaving. I miss my grandparents so much!
