

A Joyful day

Today, Roy and his mum go shopping at Dave's Department Store. They go to a gift shop and buy a toy plane. His mum also buys some clothes in a clothes shop.

Then, they walk to Happy Park and take a rest. The weather is sunny, so they buy two cones of ice cream. They enjoy the ice cream. They feel tired.

Suddenly, they see that a girl is crying. She says, 'I can't find my mum.' Roy asks, 'Do you have a phone with you?' The girl answers, 'Yes, I have.' Then, Roy's mum helps her to call her mum and tell her where she is now.

Finally, her mum picks the girl up. Roy and his mum feel joyful.
