20th September Sunny

Today is my birthday. My mum and I went to a theme park. We played on the Ferris wheel. I said ‘I want to play on the bumper cars,’ but I was not tall enough, so I felt sad.

It was 10am. We played on the swing and roller coaster. I felt dizzy. At 1pm, my mum ordered two hamburgers and one packet of French fries at the tuck shop. Then, I threw my trash at the ducks next to the tuck shop. I felt happy. My mum felt angry and the ducks felt angry too. My mum said, ‘You are naughty!’

In the end, Super Duck arrived. He taught us an important lesson by showing us pictures of adorable ducks getting stuck in trash. I felt a pang of sadness because those ducks are just too cute to be in such a sad situation.
