

### **Kelly's Weekend**

Kelly got good results in her exams. Her parents celebrated with her last Saturday. On Saturday morning, Kelly and her parents went to The Peak to look at the view of Hong Kong. They said, 'Wow! This view is so pretty and amazing!'

In the afternoon, they were very hungry so they went in her dad's car to Aberdeen to eat seafood for lunch. When they arrived, they quickly ordered some food from the menu. The seafood was mouth-watering. Kelly ate too much and her dad said, 'Kelly, if you eat too much, you will get a stomach ache.' But Kelly didn't mind and said, 'Don't worry, Dad. I will be fine.'

During their meal, they planned to go to Disneyland the following day because Kelly wanted to take photos with the Disney characters there. But that night, Kelly felt sick and she yelled, 'Ow! My stomach is so painful.' Her parents thought she had a stomach ache so they brought her to the clinic. The Doctor said she had a stomach ache and told her to rest more and eat less food.

Finally, Kelly said, 'Sorry, Dad and Mum. I will listen to you next time. Her dad replied, 'It's okay to make mistakes. What is important is that you learn from them and change for the better.'
