Dear Aunt Bella,

How are you doing? I recently went on a trip to Ocean Park. Let me tell you about it.

Yesterday, my parents and I went to Ocean Park. It was a cloudy day. We went there by the MTR.

First, I went to the Shark Mystique aquarium to look at the sharks. Then, we visited the penguins and more animals. After that, we entered a restaurant to eat lunch, it was tasty. We didn't ride on any roller coasters because mum doesn't like them. I liked the animals best. I'll definitely go there again with you. Will you come with me?

Love,
Benny
