My Many Thanks To My Teachers and School

Firstly, I would like to thank my principal, teachers and classmates for accompanying me on my learning path. I have a lot of help from you guys. I have had a lot of great classmates, and we have laughed with one another. We shared good memories. I think I will miss them a lot.

I am also grateful for having such wonderful teachers. Mr Ko taught me Maths patiently. Miss Ngai shared some awesome stories with us! Mr Chan used hilarious ways to teach us General Studies. Other teachers were kind and wise like an owl.

I would like to take this opportunity to thank my family and friends as well. they supported me throughout my school years. I had a lot of help from them. I will surely miss all my friends and teachers. I will visit them in my free time.

Thank you again. I will never forget the school motto or the teachers. I hope we can meet again in the future. Thank you and goodbye.
